Continuation of 3. NOTE: The amendment is non-responsive for not canceling nonelected claims 28-30. See the office action of 4/20/07 (page 3, lines 19-22) that requires cancellation of the nonelected claims for a complete reply.

Additionally, the following changes should be made to claims to comply with 35 USC 112, second paragraph. In the penultimate line of claim 14, "of", second occurrence, should be replaced with --- on ---, and in the last line of the claim, --- of the cells --- should be inserted after "activity". Claim 25, line 1, "apparatus of claim 14" should be replaced with --- method of claim 24 ---. Claim 27, line 10, "or" should be replaced with --- of ---.

Continuation of 11. does NOT place the application in condition for allowance because: the amendment has not been entered, and additional amendments need to be made to the claims to be free of rejection under 35 USC 112, second paragraph, and the nonelected claims have not been canceled.
